Surgeons & Staff

Cameron S. Griffith, M.D., M.S. **Cataract & LASIK Surgeon**

Dr. Cameron S. Griffith, M.D., M.S., is a Board Certified Ophthalmologist with clinical expertise that includes LASIK, PRK, ICL, Cataract surgery, Corneal Transplant, DSAEK, Pterygium Surgery, Amniotic Membrane grafting, treatment of conjunctival tumors, and management of cornea and external diseases. His surgeries are performed both at our state-of-the-art LASIK center and at our ambulatory surgery center.

A native of Louisiana, Dr. Griffith was born in Shreveport where he graduated from C.E. Byrd M.S. Magnet in 1991. He was accepted as an Echols Scholar at the esteemed University of Virginia where he graduated with a B.A. in Archaeology. During his time at UVa., Dr. Griffith was a member of the Sigma Phi Epsilon Fraternity where he served as a House Officer. He received his Masters of Science in Neuropharmacology at the Louisiana State Medical Center in Shreveport where he graduated with a 4.0 GPA. He attended Medical School at Louisiana State University Health Sciences Center in Shreveport where he was selected as both the Top Student in Ophthalmology, as well as, an Honors student in Medicine during his senior year. Following medical school he completed a one-year internship in Internal Medicine at LSUHSC.

Dr. Griffith completed his residency at the LSUHSC Department of Ophthalmology, where he served as Chief Resident during his final year. During his residency he received intensive clinical and surgical training at LSUHSC Hospital, Veterans' Affairs Medical Center, and EA Conway Medical Center. Following completion of his residency, Dr. Griffith had the honor of performing a one-year Fellowship in Cornea, Refractive Surgery and External Disease at the prestigious Eye Consultants of Atlanta. During his Fellowship, Dr. Griffith had the blessing of being able to serve on a mission trip to Honduras where he performed cataract and corneal transplant surgery. He continues his mission work to this day by actively participating in Make a Difference Day and Gift of Sight at Southern Eye Center.

Dr. Griffith has given presentations on LASIK, Dry Eye, Cataract surgery, and Corneal transplant to local groups and is actively involved in assisting Optometrists obtain continuing education hours.

Dr. Griffith is a member of the American Academy of Ophthalmology and the American Society of Cataract and Refractive Surgery. His offices are located at Southern Eye Center's main Clinic and LASIK Center in Hattiesburg and our satellite clinic in Picayune.

Dr. Griffith is a member of First Baptist Church of Hattiesburg. He and his wife, Dee Dee, live in Hattiesburg with their children Elizabeth, Stuart and Parsons. When not at work Dr. Griffith enjoys spending time with his family and is an avid hunter, fisherman, and outdoorsman.
